12/05/2019		Subaru of America	Manufacturer Emissions Service Program - Program #WUK96 INSUFFICIENT TIGHTENING TORQUE OF - EPF NUTS - Status: Remedy Available Click Here or email us at customers@subaru.com to locate an authorized Subaru dealership near you to obtain more information about this campaign. - Learn more about this campaign
<p>Description: On certain affected vehicles, the six (6) front exhaust pipe nuts at the cylinder heads may not have been tightened sufficiently due to variations in production. As a result, these nuts may become loose during use and cause exhaust leakage. A leak occurring at the front exhaust pipe may result in deterioration of emission performance. As a result, affected vehicle may fail to meet emission levels certified by the EPA and/or California ARB.</p> <p>This is not safety related</p> <p>Remedy: Subaru retailers will inspect the 6 nuts securing the front exhaust pipe to the cylinder heads on all affected vehicles. If any of the 6 nuts are found to be loose or lost and / or exhaust gas leakage is identified at either of the connections to the cylinder heads, the retailer should replace the front exhaust pipe.</p>

Glossary

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

New Owner Reported

When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
